		Opinions under the Bombay Forward Contracts Control Acts, 1947.

It is true that under section 3 of the Bombay Forward Contracts Control Act 1947, an association desirous of being recognised for the purposes of the Act has to apporach Government which has to be satisfied about the rules of the Association. The Government of Bombay presumably approved of the articles of association before granting recognition to the Exchange. But primarily the grievance of Shri Kimji Devji is against the Exchange and not against Government. This does not therefore appear to be a matter in which Government need interfere and no action appears necessary.
